SUBTLE & WARM

Combining hues of warm woods, stone and subtle pinks to create a warm and welcoming atmosphere. Opting for impact with a sugary shade mixed with pastel tones will warm up the space.

A cosy and sumptuous colour palette.

ID INSPIRATION 70
ANTIK DARK BROWN

N A T U R E

Inspired by nature this colour palette blends calming greens with natural wood tones. The colour green is often associated with growth, harmony and safety. the human eye is most sensitive and able to distinguish the most shades in that color.
